

WELCOME TO THE OLD CROWN

The Old Crown is a seventeenth-century coaching inn on the edge of the Cotswolds, in the village of Uley. The Old Crown is a traditional public house serving six real ales, including two from the local Uley Brewery down the road.

This is a smoke-free environment but we welcome smokers to use the outside areas provided.

We are open all day throughout the year. Food is served daily from 12 noon to 2pm, and again from 5–9pm. During the summer months food is served all day on weekends and bank holidays. We pride ourselves on our homemade food, though during busy periods this may lead to a delay.

We also offer outside functions, catering and bars for any event. Please ask for further information.

Upstairs, we have four comfortable en suite B&B rooms, all with tea- and coffee-making facilities, and a TV in each room. The rooms are spacious and have plenty of natural light. All are non-smoking. We have two double and two twin rooms (one with its own lounge). Ask us for details.

Thank you for visiting!
